Team Name: sdmay21-
Team Members: Jon Greazel, Harrison Majerus, Hayden Sellars, Joseph Strobel, Nicholas Battani, Stefan Peng
Report Period: Aug 31-Sept 13

Summary of Progress in this Period

We worked as a team to establish team roles; we also worked closely with the client to define requirements. A lot of time was spent defining the role and features of the application. We also defined some technical roles, members decided on front end or back end development.

Pending Issues

Still working to bring team's and client's requirements together so that we have one common vision.

Plans for Upcoming Reporting Period

Going forward our team plans to begin and complete V1 of our design document now that we have a good vision of the completed project.
